

Pre/Post Natal Fitness

A supervised exercise program designed to prepare women for the physiological changes that occur during pregnancy and post partum, develop stamina and strength for labor and delivery and restore muscle tone after the baby is born. Pre/Post Natal Fitness classes will teach participants how to exercise safely, alleviate the discomforts that often come with pregnancy, and offer nutrition tips for each trimester.

The program will follow the guidelines set by the American College of Obstetrics and Gynecology and will include a variety of exercises such as low impact aerobics, moderate strength training, water aerobics, core strengthening, stretching, and relaxation techniques.
