

BEE Award Nomination Form

HaysMed's BEE Award recognizes support personnel who have provided exceptional care and service to patients. Support staff at HaysMed and all HaysMed outpatient clinics — such as transportation aides, visual observation staff, unit assistants, unit clerks, housekeepers, nursing assistants, or others — can be nominated for the BEE Award.

Nominations may be submitted by patients, families, and colleagues. Recipients will be chosen by a committee at HaysMed and will be honored with the BEE Award throughout the year. Each honoree receives a BEE Award pin, a certificate recognizing her or him as an exceptional caregiver, and a bag filled with goodies.

The BEE Award is given in conjunction with the DAISY Award for Extraordinary Nursing®. If you wish to nominate a HaysMed nurse, please do so by [clicking here](#).
