Trial Membership

HaysMed and The Center for Health Improvement have collaborated to make physical activity a standard in healthcare. Ask your provider for a referral today and "Make Exercise Your Medicine."

Program details:

- 60-day trial membership (must be 18 years of age or older).
 - *60 consecutive days from join date.*
- A member of our fitness team will meet with you to develop a safe and effective exercise routine based on your current needs and goals.
- You will be contacted twice during the 60-day membership to check on your fitness progress and address any modifications needed.
- We will wrap up your program with a final consult to discuss your achievements and the next steps for continuing your lifestyle change.
- **One-time use only**

Cost of the program
